

This document provides procedures for setting up GO on your computer with Windows 10 Operating System (OS). It includes 2 Phases: Install Citrix and Configure the Browser.

Phase 1 - Install Citrix	Screen
<p>1) Open a browser and go to <a href="https://receiver.citrix.com">receiver.citrix.com</a>.</p> <p>2) Click <b>Download Receiver 4.3 for Windows</b>.</p> <p><b>NOTE</b> At this time, the Citrix Receiver from the Windows 10 App Store is not compatible.</p>	
<p>3) The Informational bar, which varies with each browser, appears once the file is downloaded.</p> <p>4) Select <b>Run</b> to begin the installation.</p>	
<p>5) Click <b>Start</b>.</p>	
<p>6) Select <b>I accept the license agreement</b> box.</p> <p>7) Click <b>Next</b>.</p>	
<p>8) Select <b>No, Thanks</b>.</p> <p>9) Click <b>Install</b>.</p>	
<p>10) Click <b>Finish</b>.</p>	

Phase 2 - Configure the Browser	Screen
11) Open one of the following browsers: Edge, Chrome, or Firefox.  <b>NOTE:</b> Internet Explorer (IE) has been re-branded as Edge in Windows 10.	
12) For Edge or Chrome skip to Step 18.  13) For Firefox: In the upper right corner of the browser, click the <b>Menu</b> button (it has 3 horizontal lines).	
14) A drop down menu appears. Select the <b>Add-Ons</b> icon.	
15) On the left, click the <b>Plugins</b> tab. A list of all plugins appears.	
16) From the list of plugins, find <b>Citrix Receiver</b> and select the drop-down menu.  17) From the drop menu to <b>Always Activate</b> .	
18) Navigate to <a href="http://go.state.gov">http://go.state.gov</a> and scroll to the bottom of the screen.	
19) Select <b>I agree</b> to continue.	
20) At the bottom of the next page, select <b>Windows 8</b> .	
21) Enter your credentials and select <b>Login</b> .
